Torani Syrups

This line of naturally flavoured syrups is the key to building menu diversity. Create a wide variety of appealing specialty beverages for all day parts and seasons. Torani is made with the highest quality, all natural ingredients, including natural flavours, pure cane sugar and purified water.

Torani Sugar Free Syrups

Featuring Splenda® brand sweetener, Torani sugar free products are fat-free and flavourful. These syrups are made with the same high quality ingredients as the regular syrups without compromising the flavour that Torani is known for. Torani's wide range of products can add both premium sugar-free beverages and profits to your menu.

Infuse your life with flavour. Put a new twist on familiar favourites or create your own signature recipes; it's easy with Torani. Derived from the finest ingredients, Torani's unique selection of syrups, sauces, and blended drink bases inspire flavourful creations for all occasions.

Flavoured lattes, smoothies, italian sodas, flavoured lemonades and iced teas, flavoured steamed milk, cocktails/mocktails, granitas, hot flavoured teas, flavoured hot chocolate, steamers, the list of possibilities with Torani is endless! Add profit to your menu with the smallest ounce of effort.
